THIS IS

**bii**

**bii is the embodiment of wAlge,  
its head is the logo  
and is used on all our material.**

Our mascot, bii is synonymous  
with wAlge, but is also instantly  
recognisable on its own.

**The name bii is unique, fun, and represents the brand identity of wAlge.**

And it will become the AI that ensures you receive your income for life just by holding wAlge tokens.

Bii IS

**HARD  
WORKING**

**Ensuring you  
never miss a paycheck  
from the work it does.**

**Bii IS**

**THERE  
FOR YOU**

**It doesn't operate  
in the background,  
it is present for YOU  
when you need it.**

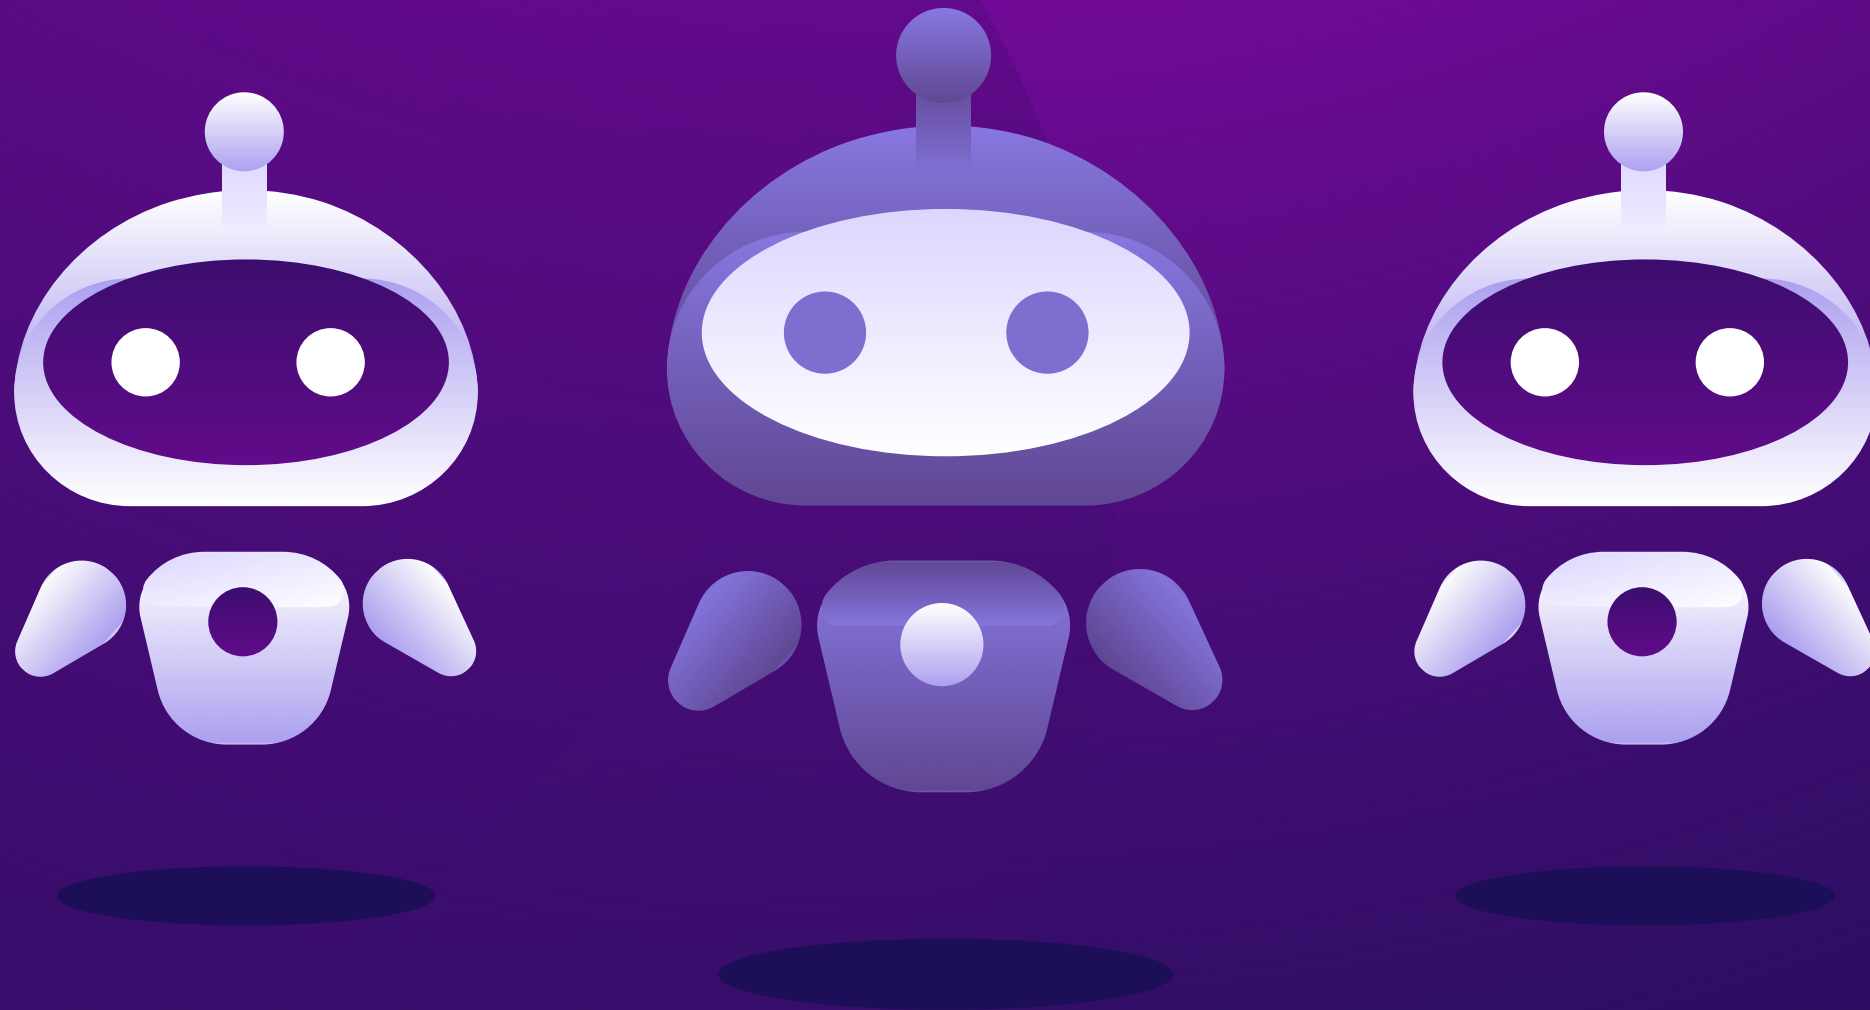

**But bii  
also knows  
how to have fun**

And is already in the spirit  
to celebrate our  
Halloween launch.
